Statement-II

Steps taken to bridge the gap between afforestation and deforestation

(1) The Ministry of Environment and Forests has formulated National Forestry Action Programme, a perspective plan for twenty years, to increase forest/tree cover to 33% of the land area as mandated in the National Forest Policy, 1988.

(2) Afforestation programmes are undertaken by State/UT Governments from their own resources as well as with financial assistance from the Government of India.

(3) Externally-aided projects are implemented for development and preservation of forests.

(4) Guidelines to all State/UT Governments to involve village communities in protection and regeneration of degraded forests have been issued by the Ministry of Environment and Forests.

(5) The Forest (Conservation) Act, 1980 has been enacted to regulate the diversion of forests lands for non forestry purposes.

(6) A network of protected areas has been established for conservation of biodiversity.

(7) A Joint Forest Management Cell has been constituted in the Ministry for monitoring and coordinating activities of Joint Forest Management in various States and achievements of its objectives.

Import of hazardous wastes

248. SHRI SWARAJ KAUSHAL: Will the Minister of ENVIRONMENT AND FORESTS be pleased to state:

(a) whether hazardous waste is being imported into the country;

(b) if so, the extent of such imports and reasons why this waste is permitted;

(c) the manner in which such waste is disposed; and

(d) the impact of this import on our health and environment?

THE MINISTER OF ENVIRONMENT AND FORESTS (SHRI T.R. BAALU): (a) to (d) As per Hazardous Wastes (Management and Handling) Rules, 1989 and amendments thereof, import of hazardous waste for dumping and disposal is banned since 1989.
